SPEAKING ACTIVITY

"WITNESS PROTECTION PROGRAM"

Level: B2/C1

¡Boost your speaking!

You have to create a new identity for your own safety. The more different your new identity is to the person you actually are, the better.

Get to know your new YOU.
Think (don't have to write it down) about these new aspects of your character:

WITNESS PROTECTION PROGRAM

Let's ask questions to each other and see if the new identities are believable enough. Be as thorough as you feel like. There's lives at stake!

1. What is your new name?
2. How old are you?
3. Where are you from?
4. Where do you currently live? (And how you got to where you are)
5. Do you study/work?
6. What do you do? (as in what job do you have)
7. What are your hobbies/interests?
8. Do you have a family?
9. What is your backstory?
10. Who do you look like? (Think of a celebrity. Perhaps you look like a mix of many people!)
11. What's your personality like?
12. What do you like/dislike?
